Change the World

At Shaklee, we're part of a movement to make people and the planet healthier. Each time you sponsor a GOLD Ambassador with a Mission PAK, you are part of that movement. To offset the carbon emissions of shipping the Mission PAK, Shaklee will plant five trees! Not only will these trees offset the carbon emissions of your shipment, you'll actually have a net positive impact on our planet. Thanks for helping Shaklee make the world a better place.

* The GOLD Ambassador Program is new. Earnings will vary with effort. Shaklee does not guarantee that any particular level of earnings will be achieved.
